The Honorable Rosa DeLauro
Ranking Member
U.S. House Appropriations Committee
1036 Longworth HOB
Washington, DC 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Village of Malmo (NE) Outdoor Warning Siren Project. The entity to receive funding is Saunders County, Nebraska at 443 N. Chestnut Street, Wahoo, NE 68066. The project is an appropriate use of taxpayer funds because it would provide a new severe weather warning system for a community that is currently absent of such equipment.

The project has a federal nexus because the funding provided is for purposes authorized by 49 U.S.C. 47100 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Don Bacon
Member of Congress
