

**Congressman Don Bacon**  
**Second Congressional District of Nebraska**

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Burlington Economic Development Infrastructure Project in Fiscal Year 2026. The entity to receive funding for this project is City of Ralston, located at 5500 S 77th St Ralston Nebraska 68127. The funding would be used for revitalizing outdated industrial ground and repurposing those properties into new businesses and new residences. The project is an appropriate use of taxpayer funds because the sewer reconstruction is a critical infrastructure project for residents of both Ralston and central Omaha.

The project has a federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink, appearing to read "Don Bacon", with a stylized flourish at the end.
