

**Congressman Don Bacon**  
**Second Congressional District of Nebraska**

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Gretna Hwy 6/31 Overpass in Fiscal Year 2026. The entity to receive funding for this project is the City of Gretna, located at 204 N. McKenna, Avenue PO Box 69 Gretna, NE 68028. The funding would be used to design and construct a pedestrian overpass that will restore safe, nonvehicular access across Hwy 6/31. The project is an appropriate use of taxpayer funds because it addresses a pressing need: safe, equitable access across a major highway that currently divides the city, restricts mobility, and compromises public safety.

The project has a federal nexus because the funding provided is for purposes authorized by Section 133(b) of title 23, United States Code, as amended by title III of division A of the Infrastructure Investment and Jobs Act.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink, appearing to read "Don Bacon", with a stylized flourish at the end.

Member of Congress
