

Congressman Don Bacon
Second Congressional District of Nebraska

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Improvements at Eppley Airfield in Fiscal Year 2026. The entity to receive funding for this project is Omaha Airport Authority, located at 4501 Abbott Drive, Suite 2300, Omaha NE 68110. The funding would be used for enhancements to the terminal, roadway, airfield and supporting infrastructure of Eppley Airfield. The project is an appropriate use of taxpayer funds because Eppley Airfield is a valuable asset to Omaha, Nebraska; the Second District of Nebraska; and the entire region. As the busiest airport in Nebraska, Eppley Airfield serves as a regional transportation hub – serving Nebraska and western Iowa – connecting individuals, families and businesses to the people, destinations and goods that are important to them.

The project has a federal nexus because the funding provided is for purposes authorized by AIP statutes.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,
