- **Serious Needs:** Money for lifesaving and life-sustaining items, including water, food, first aid, prescriptions, infant formula, breastfeeding supplies, diapers, consumable medical supplies, durable medical equipment, personal hygiene items and fuel for transportation. Serious Needs Assistance is available for survivors who apply during the first 30 days after a disaster is declared.

- **Rental Assistance:** Money to rent housing if you are displaced from your home because of the disaster.
- **Personal Property:** Money to help you repair or replace appliances, room furnishings, and a personal or family computer damaged by the disaster. This can also include money for books, uniforms, tools, additional computers and other items required for school or work, including self-employment.

Disaster Unemployment Assistance (DUA) is available to eligible individuals as a result of a major disaster declared by the President on May 3, 2024. The Nebraska Department of Labor is accepting applications for DUA from individuals in Washington and Douglas counties whose employment or self-employment was lost or interrupted due to the Severe Storms, Straight-line winds, and Tornadoes that occurred on April 26, 2024. Applications for DUA must be filed by July 2, 2024.

Applications filed after July 2, 2024, will be considered untimely, unless the individual provides good cause for filing after this date. Individuals can generally receive up to 27 weeks of DUA benefits as long as his/her unemployment continues to be a result of the disaster. Eligibility for DUA benefits will be determined on a week-to-week basis.

IRS announces relief for taxpayers affected by tornadoes, wind, storms

The Internal Revenue Service has announced tax relief for individuals and businesses in Nebraska that were affected by severe storms, straight-line winds, and tornadoes that began April 25. These taxpayers have until Sept. 3 to file various federal individual/business tax returns and make tax payment.

The federal disaster declaration permits the IRS to postpone certain tax-filing and tax-payment deadlines for taxpayers who reside or have a business in the disaster area: Boone, Douglas, Greeley, Howard, Sherman and Washington counties.

The IRS automatically identifies taxpayers located in the covered disaster area and applies filing and payment relief. But affected taxpayers who reside or have a business located outside the covered disaster area should call the IRS disaster hotline at 866-562-5227 to request tax relief.
